TOC Ride A Test Class(Saturday)

The Ride a Test classes will be offered Saturday afternoon only. Entries will be limited and will be scheduled in 30 minute time slots.

How it will look:

- Rider will ride TOC for judge. Judge will judge said test.
- Judge will then give rider on the spot feedback and will coach said rider to better their test
- Rider will then re-ride the same test and judge will re-judge after feedback has been given

Prix Caprilli(Saturday)

Test 1)

- Designed for horses with jumping experience and showing Training Level Dressage or above
- Maximum height of fences is 18"
- Trot work is to be posted

Test 2)

- Designed for horses with jumping experience and showing First Level Dressage or above
- Maximum height of fences is 2'
- Trot work may be either sitting or posting, unless noted.
- Changing leads may be done as a flying change or through the trot

In the working gaits the jumping horse is not expected to be as round as a straight dressage horse but the horse must softly accept the bit and show more roundness in the non-jumping parts of the tests. Refusals will be penalized as error of course. Knockdowns will be penalized at judge's discretion. If a rail is in the way, the judge will ring the bell for rider to stop until the rail is replaced. The judge will then ring the bell/whistle for the rider to start where he/she left off. Copies of tests will be placed on NWDA website and in upcoming newsletters.
