## NWDA / Jack Pine Circuit Awards

| Name of Rider: |  |  |  |  |
|----------------|--|--|--|--|
|                |  |  |  |  |

Name of Horse:\_\_\_\_\_

Riders and Horses competing in the Hunter/Jumper division must be a member of Northwoods Dressage Association to be eligible for this award. All points will be used in the calculation of this award. Riders must compete in at least two shows, and one show must be a Northwoods Dressage Show. Other shows used for this award must be in USDF Regions 2 or 4. Turn these completed sheets in to Jen Hovde by November 30 for considerations of the awards. Jen Hovde, P.O. Box 325, Esko, MN 55733.

| Show/Date | <u>Class</u> | <u>Placing</u> | Signature of Show Official |
|-----------|--------------|----------------|----------------------------|
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
|           |              |                |                            |
